

Completed

3 GOALS 5 OUTCOMES 9 MEASURES 32 TARGETS 32 FINDINGS 15 ATTACHMENTS

1

GOAL

Communication

The students' ability to communicate as well as their perception of that ability will improve after exposure to a variety of disciplines.

2

GOAL

Critical Thinking

The students' ability to think critically as well as their perception of that ability will improve after exposure to a variety of disciplines.

3

GOAL

Christian Worldview

The student's ability to understand, articulate, assess, and demonstrate a Christian worldview will improve after exposure to a variety of courses either that are taught from a Christian worldview perspective or that directly teach Christian worldview concepts.

Completed

3 GOALS 7 OUTCOMES 9 MEASURES 18 TARGETS 18 FINDINGS 7 ATTACHMENTS

1

GOAL

Success in Business

Exhibit skills and knowledge necessary for successful performance in a multicultural business environment by applying the basic concepts and theories of management, finance, accounting, communications, business law and information systems.

2

GOAL

Ethical Behavior

Resolve ethical business dilemmas by applying learned Biblical principles.

3

GOAL

Economic Conditions

Demonstrate the ability to evaluate economic conditions and apply appropriate business strategies.

Completed

3 GOALS 6 OUTCOMES 20 MEASURES 39 TARGETS 39 FINDINGS 20 ATTACHMENTS

1

GOAL

Business Knowledge and Skills

Students will develop a broad range of business knowledge and skills.

2

GOAL

Analytical Skills in Business Settings

Students will exhibit appropriate analytical skills in different business settings.

3

GOAL

Contemporary Issues in Business

Students will outline contemporary issues in business.

Completed

2 GOALS 5 OUTCOMES 19 MEASURES 38 TARGETS 38 FINDINGS 1 ATTACHMENTS

1

GOAL

Accomplished Teachers

Teacher candidates who complete the B.S. in Education and are recommended for a Georgia Teaching Certificate as accomplished teachers.

2

GOAL

Student Leaders

The teacher candidates who complete the B.S. in Education and are recommended for a Georgia Teaching Certificate demonstrate servant-leadership characteristics.

School of Education - BS in Education (Middle Grades) 2018-2019

Completed

2 GOALS 5 OUTCOMES 18 MEASURES 36 TARGETS 36 FINDINGS 1 ATTACHMENTS

1

GOAL

Accomplished Teachers

Teacher candidates who complete the B.S. in Education and are recommended for a Georgia Teaching Certificate as an accomplished teacher.

2

GOAL

Servant Leaders

The teacher candidates who complete the B.S. of Education and are recommended for a Georgia Teaching Certificate demonstrate servant-leadership characteristics.

Completed

2 GOALS 5 OUTCOMES 10 MEASURES 10 TARGETS 10 FINDINGS 10 ATTACHMENTS

1

GOAL

Goal 1: Accomplished Teachers

Experienced educators who complete the Masters Degree in Education will be considered accomplished teachers.

2

GOAL

Goal 2: Servant Leaders

Experienced educators who complete the Masters Degree in Education will demonstrate servant leadership characteristics.

Completed

3 GOALS 5 OUTCOMES 6 MEASURES 12 TARGETS 12 FINDINGS 1 ATTACHMENTS

1

GOAL

Literary Analysis

Students should be able to analyze and interpret literature using classic literary terminology and rhetorical skills and to orally present and write that interpretation articulately.

2

GOAL

Writing Skills

Students should be able to draft, revise and edit standard English using current MLA documentation style when required.

3

GOAL

Christian Worldview

Students should be able to critically analyze and make arguments regarding literary texts using a Christian worldview both orally and in writing.

Completed

4 GOALS 15 OUTCOMES 15 MEASURES 26 TARGETS 26 FINDINGS 11 ATTACHMENTS

1

GOAL

Research

Students will use critical thinking skills to interpret key events, movements, or personages in American and World History by completing and presenting results/findings in written and oral forms commiserate with undergraduate standards.

2

GOAL

Civilizations

Identify the major civilizations of history, where they are located, and explain the circumstances leading to their emergence and collapse or survival.

3

GOAL

Christianity

Identify the events, places, and movements in the development of Christian History from the Early

Church to the Modern Age.

4

GOAL

American History

Identify key forces, individuals, movements, etc. in American History and their roles in the social, legal, and ideological changes.

Completed

3 GOALS 3 OUTCOMES 3 MEASURES 6 TARGETS 6 FINDINGS 5 ATTACHMENTS

1

GOAL

Cultural Analysis

Utilizing critical thinking skills while analyzing elements of culture is essential to this degree program.

2

GOAL

Historical Analysis

Utilizing critical thinking skills while analyzing historical events, movements, and personages is essential to this degree program.

3

GOAL

Biblical Worldview

Utilizing critical thinking skills while analyzing the impact of a Biblical worldview is essential to this degree program.

Completed

4 GOALS 6 OUTCOMES 6 MEASURES 14 TARGETS 14 FINDINGS 1 ATTACHMENTS

1

GOAL

Performance Skills

Develop performance skills for applied and secondary instruments.

2

GOAL

Cultural/Historical

Demonstrate an understanding and knowledge of cultural and historical contexts of exemplary works of Western art music.

3

GOAL

Music Terminology

Demonstrate an understanding of and knowledge of music terminology.

4

GOAL

Read and Interpret

Read and interpret the contextual notation of exemplary works of Western art music.

Completed

7 GOALS 12 OUTCOMES 23 MEASURES 46 TARGETS 46 FINDINGS 1 ATTACHMENTS

1

GOAL

Accomplished Teachers

Candidates who complete the B.S. in Music Education and are recommended for a certificate as accomplished teachers.

2

GOAL

Servant Leaders

Candidates who complete the B.S. in Music Education and are recommended for a certificate demonstrate servant-leadership characteristics.

3

GOAL

Music Terminology

Demonstrate an understanding of and knowledge of music history and terminology.

4

GOAL

Music Education Methodology

Students will display classroom management skills

5

GOAL

Read and Interpret Music

Read and interpret the contextual notation of exemplary works of Western art music.

6

GOAL

Cultural/Historical aspects of music.

Students will demonstrate an understanding and knowledge of the cultural and historical contexts of exemplary works of Western art music.

7

GOAL

Performance Skills

Develop performance skills for applied primary and secondary instruments.

Completed

9 GOALS 9 OUTCOMES 9 MEASURES 18 TARGETS 18 FINDINGS 1 ATTACHMENTS

1

GOAL

Integrate Faith, Values, and Compassionate Care

Integrate the meaning of Christian faith and values by applying their faith and values into the practice of compassionate nursing care.

2

GOAL

Professionalism

Demonstrate and apply leadership skills and core values which include moral, ethical, and legal conduct grounded in Biblical truths, liberal arts education, and nursing education.

3

GOAL

Teaching/Learning

Participate and provide in an environment that is relevant, supportive, and engages a variety of learning styles, with teaching/learning opportunities that support health promotion and injury prevention.

4

GOAL

Communication

Display within nursing and interprofessional teams collaboration, mutual respect, and shared decision-making to achieve quality patient care.

5

GOAL

Critical Thinking

Utilize cognitive skills to guide nursing practice in the provision of patient-centered care and apply clinical reasoning and make clinical judgments in the evaluation of patient outcomes.

6

GOAL

Evidence Based Practice

Evidence based practice incorporating general components of the research process and participation in data collection and other research activities while integrating research and best practices that impact patient care.

7

GOAL

Health Care Delivery

Incorporate challenges, opportunities, and health care delivery models related to patient-centered health care, providing health promotion, and disease and injury prevention across the life span while utilizing technology to manage and monitor outcomes.

8

GOAL

Environment

Apply the environmental factors, principles, and quality improvement methods to continuously improve the quality and safety of health care systems.

9

GOAL

Cultural Diversity

Integrate nursing knowledge and skills incorporating culturally-sensitive care for each person from

the perspective of a Christian worldview.

School of Psychology & Biblical Counseling - 2018-2019

BS in Psychology

Completed

4 GOALS 9 OUTCOMES 14 MEASURES 30 TARGETS 30 FINDINGS 1 ATTACHMENTS

1 GOAL Worldview & Theoretical Foundations

Expose students to secular and Christian psychological theories and establish the relationship between theology and psychology.

2 GOAL Diversity of the Human Experience

Examine the differences and similarities in human behavior and thinking across cultures.

3 GOAL Ethics

Explain and set expectations for ethical behavior in research and practice settings.

4 GOAL Understand & Use Research

Explain how to conduct psychological research and apply research and theory to solve real-world

problems.

School of Psychology & Biblical Counseling - MA in Professional Counseling

2018-2019

Completed

4 GOALS 5 OUTCOMES 13 MEASURES 22 TARGETS 22 FINDINGS 1 ATTACHMENTS

1

GOAL

Foundations

To provide students with a solid theological and academic foundation in counseling

2

GOAL

Professional Practice

To provide opportunities for counseling practice

3

GOAL

The Helping Relationship: Competence and Compassion

To develop students who are competent and compassionate counselors

4

GOAL

Social and Cultural Diversity

Equip students with empirically supported techniques for working with socially and culturally diverse populations

Completed

5 GOALS 10 OUTCOMES 11 MEASURES 22 TARGETS 22 FINDINGS 1 ATTACHMENTS

1

GOAL

Clear Communication

Students will be able to read and understand criminal justice and legal related literature, write professionally, and speak clearly about criminal justice and legal matters.

2

GOAL

Critical Thinking

Students will be required to use analytical and quantitative reasoning to interpret criminal justice and legal material in Criminal Law (CJ 381) and the capstone course.

3

GOAL

Professional Skills

Students will demonstrate knowledge of leadership skills and principles as well as the ability to apply those skills and principles in the field of criminal justice.

4

GOAL

Substantive and Procedural Criminal Law

Students will be able to differentiate between substantive and procedural criminal law.

5

GOAL

Biblical Worldview

Students will be able to apply a Biblical Worldview analysis to major criminal justice concepts and theories.

Completed

5 GOALS 10 OUTCOMES 10 MEASURES 20 TARGETS 20 FINDINGS 2 ATTACHMENTS

1

GOAL

Biblical Worldview of Origins and Biology

Expose students to conventional and biblical perspectives of biological origins.

2

GOAL

Clear Communication

Expose and provide experiences for students to understand scientific literature and write and speak clearly about scientific processes and data.

3

GOAL

Quantitative Analysis in Research

Explain how to use analytical and quantitative reasoning to solve problems.

4

GOAL

Organism Biology/Ecology

Explain how to determine organism classification and basic internal anatomy and physiology of select organisms, along with the importance of organism interactions with each other and their environment and in the context of community/ecosystem structure, health, and stewardship.

5

GOAL

Molecular Biology

Explain the basic biochemical and molecular systems inside of cells and how these systems affect cellular structure and function in terms of metabolism, transcription, translation, and reproduction.

Completed

6 GOALS 13 OUTCOMES 13 MEASURES 26 TARGETS 26 FINDINGS 1 ATTACHMENTS

1

GOAL

Clear Communication

Students will be able to read and understand science related literature, write scientifically, and speak clearly about scientific data.

2

GOAL

Critical Thinking

Students will be able to use analytical and quantitative reasoning to solve problems .

3

GOAL

Clinical Skills

Students will be able to appropriately administer clinical and physical fitness assessments and evaluate and deliver resultant clinical data to patients and/or client.

4

GOAL

Physiology

Students will be able to detail and explain the physiology of the human body and organ systems under normal conditions, during exercise, and influenced by various disease conditions.

5

GOAL

Leadership

Students must successfully demonstrate knowledge of leadership skills, in particular within exercise programs.

6

GOAL

Anatomy

Students will be able to identify the anatomical structures and explain the movement relationship patterns observed during exercise and locomotion.

Completed

5 GOALS 6 OUTCOMES 7 MEASURES 14 TARGETS 14 FINDINGS 1 ATTACHMENTS

1

GOAL

Clear Communication

Students will be able to discuss and clearly present their ideas in research and scientific discovery based on a sound understanding of the scientific literature, the scientific method, and biological knowledge.

2

GOAL

Critical Thinking

Students will be able to evaluate and draw correct conclusions from both quantitative and qualitative data and utilize problem-solving, experimental techniques, and logical reasoning to solve real biological questions.

3

GOAL

Procure Advanced Biological Knowledge

Students will propose and follow, at the advisement of their thesis committee, an individualized plan of study aimed to improve overall knowledge in biology and to enhance the likelihood of successful completion of the thesis project.

4

GOAL

Scientific Competency and Professionalism

Students will become mature, well-trained and professional scientists with a skill set appropriate to

remain abreast within their discipline and profession.

5

GOAL

Christian Worldview

Students will develop and adhere to a Christian worldview of science, culture, God, and man.

School of Theology & Missions - BA in Christian Studies 2018-2019

Completed

4 GOALS 11 OUTCOMES 22 MEASURES 76 TARGETS 76 FINDINGS 1 ATTACHMENTS

1 GOAL Biblical Knowledge

Students will be able to discuss the content of the Bible.

2 GOAL Biblical Interpretation

Students will be able to interpret and apply the biblical text.

3 GOAL Christian Studies Mastery through Capstone

In the capstone project, students will demonstrate a mastery of all degree program goals: biblical knowledge, biblical interpretation, and theological evaluation.

4

GOAL

Theological Evaluation

Students will be able to evaluate theological systems.

Completed

5 GOALS 8 OUTCOMES 13 MEASURES 26 TARGETS 26 FINDINGS 1 ATTACHMENTS

1

GOAL

Biblical Understanding

Students will be able to articulate the biblical foundations of Great Commission missions.

2

GOAL

Historical Perspective

Students will describe and summarize the global progress and development of Christian missions from the New Testament era to the practices of global missions today.

3

GOAL

Theological Discernment

Students will distinguish biblical from non-biblical theologies of mission and outline a biblical theology of world religions.

4

GOAL

Intercultural Competence

Students will be able to relate in culturally appropriate ways with people of other cultures in order to effectively build ongoing relationships and communicate biblical truth

5

GOAL

Missiological Application

Students, through the World Missions Capstone, will be able to effectively apply classroom knowledge from all degree program goals in an international, cross-cultural context and integrate all degree program goals in a thesis paper.

School of Theology & Missions - MA in Theology 2018-2019

Completed

4 GOALS 11 OUTCOMES 16 MEASURES 32 TARGETS 32 FINDINGS 1 ATTACHMENTS

1 GOAL Biblical and Theological Knowledge

Students will obtain a useful knowledge of the biblical languages, both Hebrew and Greek. A useful knowledge indicates that the student will be able to apply the knowledge gained in their own Christian ministries. Further, students will be able to identify and assess theological systems in order to be informed of various answers offered to foundational theological questions.

2 GOAL Biblical and Theological Method

Students will obtain an effective methodology for understanding and interpreting Scripture and develop their own approach to Christian doctrine. This goal must include an understanding of the relationship between proper interpretation of Scripture and the development of Christian theology.

3 GOAL Theological Heritage

Students will obtain an understanding and ability to evaluate the historical Baptist tradition as well as the development of Christian doctrine within the larger Christian historical context.

4

GOAL

Ministry Application and Practice

Students will obtain effective methods for the implementation and practice of a biblically based Christian ministry in the local church.
