## **History of the University**

Truett McConnell has deep roots in the mountains of North Georgia. In 1887, Fernando McConnell and his cousin George W. Truett established a private Christian academy in Hiawassee, Georgia to educate "mountain preachers." Changing economic conditions forced the closing of the school. However, McConnell and Truett each went on to make major contributions in Southern Baptist life and in the world for the cause of Christ.

When the Georgia Baptist Convention saw the need for a Baptist College in North Georgia, they chose Cleveland, Georgia. On July 23, 1946, ceremonies were held naming the newly chartered Truett-McConnell College in memory of those Baptist pioneers and prominent Baptist leaders. The following year, September of 1947, the College opened its doors in temporary facilities to the first class of fifty-five students. Work then soon began on building the present campus and in 1956 the Miller Building became the first building to be occupied. The campus has expanded greatly from those fledgling years. Buildings, programs, facilities, and athletes have all expanded in order to provide a Biblical Worldview education to a present enrollment of more than 2,000 students.

Truett-McConnell was a junior college until 2003 when it gained accreditation to grant baccalaureate degrees as a four-year institution. In 2014 it was granted accreditation to begin the first master's degree program and on May 14, 2016, it became Truett McConnell University. Truett McConnell continues to expand to meet the needs of a growing student body and to equip each generation to meet the challenges of presuming their calling in the real world.

## **Mission Statement**

The mission of Truett McConnell University is to equip students to fulfill the Great Commission by fostering a Christian worldview through a biblically-centered education in a family friendly environment.
